SACD010: NYVVA - Gypsy

Release date: September 18, 2020

File under: Sitar, Eclectic, Electronic, Synth, Drone, Modular, Ambient

Recommended if you like: Allesandro Cortini, Steve Roach, Trent Reznor, Shahid Parvez, Ravi Shankar

Spooky Action Records is proud to present Gypsy, by Nyvva. Mesmerizing, melodic sitar juxtaposed against electro-acoustic drones and powerful rhythms creates a sublime and moving listening experience as Gypsy exquisitely arcs through light and dark, shimmering timbres, dark and deep soundscapes, classical Indian textures, East and West.

Gypsy is available on CD and digital download at: <https://nyvva.bandcamp.com>

Rich Dodgin - *This is Darkness webzine*

“Gypsy continues in the same vein as the EP, with subtle electronic rhythms and gorgeous sitar sounds combining to produce something very special indeed.”

About Nyvva:

Nyvva is composer, sitarist, and electronic musician Adam Clark. Adam is a Grammy winning recording engineer as well as a visual effects artist and composer for film and television. He's worked on over fifty film and television productions. He is also featured regularly and has been commissioned by legendary modular synth manufacturer, Buchla, to create patches and media for their new synthesizer, The Easel Command.
